

Blairsville Animal Hospital BOARDING POLICIES

1. We require reservations be made prior to any drop off of an animal boarding with us. Please call at any time during office hours to check our schedule, there is always a possibility of a cancellation. Sorry, we do not keep a waiting list when we are fully booked.
2. Our doors are open at 8:30 a.m. for drop off of your pets.
3. If your animal is not picked up by closing time, you will be charged another day of boarding for your animal. You are able to pick up your animal any time during business hours only.
4. We use Hills Science Diet Adult food for feeding the kennel. If your pet is on a special diet or is a finicky eater, please bring enough of his/her food for the stay. Make sure all foods and treats are labeled at drop off.
5. Bring all medications with you to drop off with your pet in their original containers with the original prescription label. Instructions will be recorded at drop off.
6. We provide comfortable, freshly laundered bedding, and sanitary food and water bowls. You are welcome to bring any toys, blankets and personal items for your pet to make his/her stay more comfortable. Please make sure we record all your belongings at the time of drop off. We request you identify all of your pet's belongings with your pet's name in permanent marker to avoid mix-ups. We cannot be responsible for toys or bedding that are lost or destroyed.
7. For the safety of your pet and the other pets boarding at Blairsville Animal Hospital, we require documentation on current vaccinations. Rabies must be within one year (or 3 years where applicable), DHPP/DHLPP within 3 years, bordatella within 1 year. If the animal is under one year old, he/she must have had ALL OF THEIR BOOSTERS prior to boarding.
8. If dogs are not on heartworm prevention, they will be dewormed at owner's expense.
9. If dogs or cats have not had flea / tick prevention applied, it will be applied while boarding at owner's expense.

We strive to provide the best care and compassion for your pets. If at any time we have the need for special or emergency treatments while your pet is boarding with us, we will first attempt to contact you or your designated contact to inform of the situation. We appreciate your cooperation and understanding of our policies to provide a fair and timely service to all.
